

20031020

Meeting of the Curators of the Hungarian GIS Foundation.

Számalk, one of the leading Education Center in IT in Hungary hosted the Meeting of the Curators of the Hungarian GIS Foundation (HUNGIS) on 20th October 2003.

Participants discussed the report on recent HUNGIS activities with special emphasis on the 13rd National GIS Conference, the succesful GIS Workshop held in Cluj-Kolozsvár in early October, the awards of GIS-related diploma works in 2003, status of publications of Bonaventura Ltd including the planned GIS Handbook, as well as the forthcoming event of the 12th national Conference on GIS in Education organised by HUNGIS in conjunction with the Chair of the Landscape and Physical Planning, both members of HUNAGI.
