

ACTIVITIES IN 1995

HUNAGI participated *the Int'l Organising Committee Meeting of the GIS/LIS'95* chaired by *Prof A.Detrekői* and *D.Bomberger* at the Chair of Photogrammetry, Budapest Technical University 12-14 January. About 100 papers have been received for oral and interactive poster presentations.

- HUNAGI has invited the following professional organisations to attend the GIS/LIS'95: EARSeL (*M.Godefroy*), Paris; FIG (*G.K.Lindsay*), Canberra; ICA (*D.R.F.Taylor*), Ottawa; ISPRS (*L.W.Fritz*), Philadelphia; EUROGI (*Ch:Chenez*), Amersfoort; GISIG (*G.Saio*), Genoa; DARA (*W.Steinborn*), Bonn; EC DG I Phare Operation Office (*B.Griepink*), Brussels, CERCO (*Joe Musset*), Brussels; MEGRIN (*F.Salgé*), Paris; INPE (*R.P.de la Cunha*), Brazil; EC DG XIII (*W.Paragon-Collada* and *W. Janusch*), Luxembourg; ESA (*Simonetta Cheli*), Paris and Information Society Office, Brussels.
- *M.Havass*, President of HUNAGI applied in official letter formally for membership in EUROGI on 14 March 1995.
- Elected to membership at the **EUROGI General Board Meeting** held in The Hague. (late March)
- HUNAGI participated the UDMS-EGIS Joint European Conference on GI The Hague, 26-31 March
- ☐ HUNAGI participated the **2nd Meeting of the National Mapping Agencies and the National Statistical Offices** hosted by EUROSTAT and chaired by *Robert Cubitt* in Luxembourg on 4th April
- ☐ **State Secretary of the Ministry of Foreign Affairs Mr.Szent-Iványi** welcomed in his letter the formation of the interdisciplinary GI association HUNAGI
- ☐ **EC DGXIII Deputy Director General Mr.Paragon-Collada** welcomes HUNAGI's aims and activity in his official letter
- HUNAGI invited EC DGXIII to exhibit and demonstrate some of the **EU IMPACT 2 GIS prototype products** at GIS/LIS'95 (June)
- HUNAGI active participation at GISIG's **WELL-GIS Workshop** in Budapest chaired by *G.Saio* and *P.Lévai* (June)
- **HUNAGI FORUM** for experts from 14 countries co-chaired by representative of EC DGXIII *Werner Janusch* and *Dorothy Bomberger* of Congress Management Institute (USA) Presentations include:
 - *W.Janusch* (European Commission),
 - *Stewe Power* (MV) on TITAN
 - *Tim Wood* (MVA) on OMEGA
 - *Steve Porter* (MVA) on EURIPIDES
 - *Henrik Bo Pedersen* (Kommunedata) on MAGIS
 - *Geoffrey Boyd* (JP Kenny Technology) on ERGIS
 - *Colin Harris* (IDOM) on IT trends in CEEC
 With co-referates given by *Ch.Chenez* (EUROGI), *Joel Morrison* (USBC), *Sven Trollegard* (UDMS), *PJ van den Klinkenberg* (CMG Telecom and Utilities)
- EC DGXIII has invited HUNAGI to the discussion of the **European GI Infrastructure and policy document called "GI2000"** June 21, in Luxembourg.
- **6th MEGRIN Regional Workshop** hosted by FÖMI, chaired by *Sz.Mihály* in Budapest, June 22. By requests, documents have been provided by the representatives of the German Regional Offices of Surveying in Baden-Württemberg (*Mr.Schleyer*) and Northrhine-Westfalia (*K.Birth*) on data, products, services and marketing.
- **Hungary hosted the CERCO General Assembly** in Budapest September 24-25
- **EUROGI (M.Brand) - DDGI (K.Barwinski)- HUNAGI (Havass M.) summit**, hosted by (*Bottká S* of OMF. in Budapest (September) also participated by *V.Bognár* and *G.Remetey-Fülöpp*

- **Introducing GI2000 and its message for Hungary** -a lecture was delivered by HUNAGI Secretary General **at the 5th National GIS Conference** in Szolnok (September). Additional lectures arranged by HUNAGI include *Ms.Leila Aslesen* of CERCO WG 1 on GI marketing and copyright issues and *Joe Mousset*, Secretary General of CERCO.
- **Support of EUROSTAT survey in Hungary** executed by *J-P. le Gorgeau* of CESD on GIS/Remote Sensing applications in statistics (October)
- ☐ HUNAGI participates actively at the **Advanced Education Special Interest Committee Meeting** (AESICC) held in Sopron (October)
- ☐ As joint action of HUNAGI and the HUNGIS Foundation, the **Hungarian GIS Market Survey'95** was published under the auspices of *Mike Brand*, President of EUROGI
- **Participation of the EUROSTAT conference on "Impact of remote sensing on the European statistical information system"**. *G.Remetey-Fülöpp* was invited to moderate the discussion on land use. The event was hosted by ISTAT in Rome between 27-29 November
- **3rd General Assembly of HUNAGI devoted to the legal establishment**. Recommendation on the establishment of the National GI Infrastructure Network (November)
- Joint Meeting on **Copyright issues in GIS** with the Industrial Legal Protection Society (December)
- The English language HUNGIS-HUNAGI leaflet on the Hungarian GI Market was put on the European Commission's database I'M EUROPE by *R.A. Longhorn* with additional Hungarian references collected by HUNAGI by the courtesy of the Lands and Mapping Department of MoA (Report on the activities in 1995) with the kind assistance of ICA Hungarian National Committee as well as the Mapping Agency of the Hungarian Defence Forces.
